

## EXPONENTIA ON PMM MECHANEX SHOW

On 20th and 21st September 2011 eXponentia took part in the Professional Motor Mechanic MechanEx show in Stoneleigh Park, Warwickshire.

During this 'hands on' event featuring the very best in tools, equipment, diagnostics and the latest products from many leading parts manufacturers, eXponentia delivered two hybrid seminars. They were both attended by over 70 people and were highly appreciated by the attendees, given their positive feedback in the show survey.
